You will be staying with like minded people, all out to explore the adventurous side of the Maltese islands. This is why we call it Basecamp...

Basecamp is ideally located in Swieqi, 5 minutes' walking distance from the main bus station, 10 minutes from the nearest beach, 8 minutes from St. Julian's, Malta's nightlife centre.

It is next to the main trunk roads leading north to the best beaches and south to the cliffs and valleys where mountain bikers, trekkers and climbers find their happiness!

The atmosphere at Basecamp is relaxed, comfortable and welcoming to everyone. Rooms are bright and well finished, most with ensuite facilities, some with air-conditioning. The common areas are a great place to meet and chat about your adventures with ample room, comfortable loungers and space to chill both inside and out.
