

# 2022 English Course Prices

When you leave Alpha School after being a student with us, your English confidence level will be increased. We've had students that arrived struggling to say more than "hello" and they leave being able to hold basic conversations!

Our long term students benefit the most. Many have studied English for years but lack the confidence and fluency to hold a conversation in English.

The longer you study at Alpha School the better your English will become!

Our class sizes are usually 3-5 students, especially outside of summer, and we think this helps our students improve faster.

## Studying abroad is better than studying at home!

Research shows that studying a language abroad is better than studying in your own country!

- Oral fluency
- Better accents
- Better local conversation skills
- Faster speaking
- More confident conversations
- Longer streams of continuous speech

## Quality Assurance

- ELT Council licensed (Malta Ministry of Education) Number 161
- Malta Tourism Authority (MTA) Licence Number 35-0026
- FELTOM accredited
- LanguageCert approved exam test centre
- Bildungsurlaub recognised
- CSN recognised
- Recognised by the European Parliament for courses to MEPs
