Learn English in a relaxed environment, using the language in real-life situations

Your private bus or mini-van will then take you to various places including Malta's capital city Valletta, the silent city of Mdina, Gozo and St. Paul's Islands. You will carry out tasks in pairs and in groups that include making limoncello, making a video and tasting wine, olives or cheese. At the end of the course you will give a short presentation using your new language skills.
